JOSEPH E. JOYCE, PRINCIPAL
1968 — 1987

Dear Mr. Joyce:

Our years at Canton High have been happy and rewarding years. They have provided us with a valuable educational and social experience that will serve as a foundation and a guiding force in our lives.

We are very proud of our high school and we thank you for the leadership you have given Canton High since 1968. Your support for quality education, for a fine program in sports, and for the many other activities at Canton High has assured the success of Canton High as a "world class" high school.

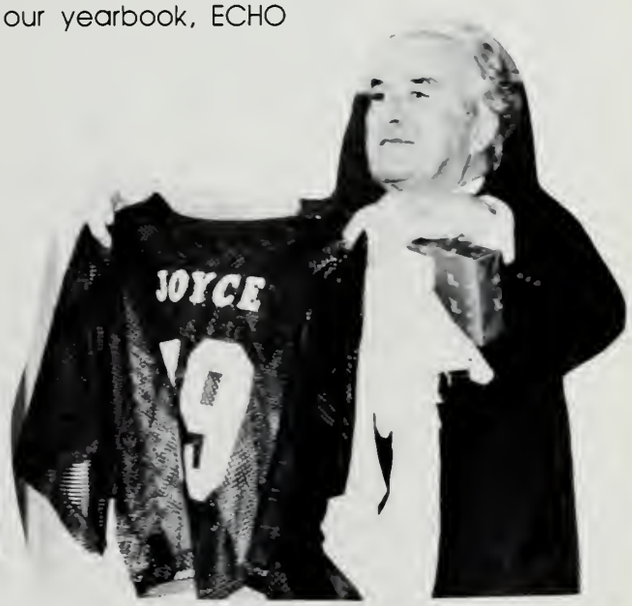

Thank you, Mr. Joyce, on behalf of all students who have attended Canton High since 1968. We wish you continued good health, success, and happiness.

It is our pleasure to dedicate our yearbook, ECHO 1988, to you.

With appreciation,
The Class of 1988

NATIONAL HONOR SOCIETY: Canton High School's National Honor Society has had another productive year. The members of the National Honor Society have successfully completed such projects as: assisting at AAUW dance, updating school's activity booklet, updating the BCAF calendar every month, tutoring Canton High School students at no cost, organizing a college return day for the benefit of the 1988 class, and participating in a Heart Fund Telethon. Selected members also visited the Galvin Middle School to meet with prospective Canton High students. A yearly project for members is volunteering to help in a Scholar Dollar Telethon.

Members of the National Honor Society are chosen on the basis of scholarship, character, leadership, and service. Every member must have an outstanding grade point average and must be voted in by a faculty council and the principal.

MATH TEAM

The Canton High School Math Team continues to dominate in league, state, and New England competitions. For more than ten consecutive years, the team has won the two league titles, the Greater Boston Math League and the Massachusetts Math League. For the past seven, consecutive years the team has won both the state and New England titles. The team's goal, which should be realized, is to continue this tradition; that is, to win the two league titles, the state and New England titles, and be the best. Many of the students on the team have been recognized not only at the league level but also at the state and regional levels.

The Canton mathletes continue to have the largest number of finalists in the state-wide competition known as the Olympiad. Over 5,000 students compete in the first level of this competition, and 100 students are selected as finalists for a follow-up examination. The Canton High School Math Team always has at least 10 students who are asked to return for the second level. This year 11 students are finalists.

This is quite a remarkable accomplishment and certainly a tribute to the hardworking conscientious students as well as the equally hardworking advisors — Veronica Flangheddy, William Sweeney, and Martin Badoian.

'87 was a special year in sports

By Donna Cogliano
Journal staff

It was a victorious year in sports for the Canton High School varsity teams. Providing the most excitement in 1987 were the ice hockey and football teams.

The football team, undefeated in Hoc[illegible] League action, played in the Division [illegible] Sullivan Stadium in Foxboro by a single [illegible] by co-captain[illegible] Del[illegible]

In vaulting, Kantaros scored an 8.6 [illegible] 8.3 in floor exercise. On the [illegible] scored a 7.8.

Barry, C. MacDonald, L. Dorsey, R. Murphy, M. Hull, C. Earl, E. Monahan, K. Bronstein, J. Morris.

The Spanish, German, and French Clubs have provided the students at Canton High with an opportunity to explore the life and culture of foreign countries through speakers, food festivals, and visitors from other countries.

This year as in previous years the families in Canton had the opportunity to host students from Germany and France and share in the cultural experience along with the students at Canton High. The exchange program has been very successful and involves many students at Canton High in the experience.

COLLEGE CREDIT.

Credit for course work isn't the only hard part about college. Paying the bills is sometimes difficult and that's when you need our kind of credit.

We provide a full program of student loans.

We offer both HELP Loans for eligible scholars and PLUS Loans and VALUE Loans for parents. The rates and repayment schedules conform to nationwide practice.

This means, in order to stand apart, we have to do more. And we do.

For instance, you can expect faster turn-around time on approvals. You can also count on personalized service including sound answers to your questions and more. This is especially helpful if you're just starting a college career.

So start today and learn more. Discover why so many credit us with the best student lending program around.

FOR AN AIR OF SOPHISTICATION TO ENHANCE YOUR PERSONAL STYLE

This season the focus is on minimal details. Pierre Cardin reinterprets a once classic design into one of updated perfection. The Shawl Collar Tuxedo has been specifically created by the designer for an air of sophistication to enhance your distinct personal style. For all formal occasions ask for Pierre Cardin Formalwear.

Our staff of formalwear experts are available to assist you in choosing the appropriate attire for all formal occasions.
